

2018 MWFLY INTERNATIONAL COMPETITION'S RULES

INTRODUCTION

Even though the pre-registration period is over, MWfly has decided to open the competition to any client who takes delivery of a new engine by the beginning of September 2018.

The main goal is to have fun and challenge yourself in a fair competition. It is not a timed competition and airworthiness and safety must remain the basic guide during the execution by all of the competitors. Airworthiness and safety will be one of the key parameters for the final evaluation.

Art.1 COMPETITION THEME

Installation and flight test of a B22 or B25 engine on a new application.

Art. 2 HOW THE COMPETITION WORKS

Everybody (with the exception of those indicated in the **Art. 3**) that purchases a new engine for a new application and takes delivery by the beginning of September 2018 will be entered. The goal is to install and flight test the engine. The evaluation of the installation will be done during December 2018 and the winner will be announced shortly after that.

Art.3 WHO CAN PARTICIPATE

Everyone can participate with the exception of those who have already installed a B22 or B25 engine and our current dealers. The competition is open to participants from all over the world.

Art.4 CATEGORIES

All the participants will be divided into the 3 categories, AIRPLANES, HELICOPTERS and GYROPLANES, if there will be at least 7 competitors for each category.

Art.5 HOW TO PARTICIPATE

From December 01, 2017 to January 15, 2018

Starting on **December 01, 2017**, a pre-registration form will be available on www.mwfly.it/mwfly%20competition.html. MWfly will respond within 5 days of the request and if the application is admissible a registration form will be sent.

From February 01, 2018 to August 01, 2018

See **Art. 2**, all eligible clients will be automatically entered into the competition but the client will have to sign the information page found at the end of this document.

Art. 6 PARTICIPATION COSTS

In order to participate in the competition the competitor must purchase an engine.

Art.7 ENGINE INSTALLATION RULES

The installation cannot be done on an aircraft in the List of Applications.

- The installation should be completed with all accessories and the aircraft should be flight tested
- Anyone can compete with the exception of existing dealers and service centres or those who have already installed a B22 or B25 engine.
- Each competitor should report the status of the installation.

Art.7 END OF THE COMPETITION

For everybody the competition will end on the December 1, 2018.

Art. 8 PRIZES

The winner of each category will receive the following:

• B22D 100HP	€10,900.00
• B22G 122HP	€11,900.00
• B22G 135HP	€12,900.00
• B22D 135HP(*)	€13,900.00
• B25D 115HP	€13,900.00
• B25G 140HP	€14,900.00
• B25G 155HP	€15,900.00
• B25D 155HP(*)	€16,900.00

The competitor that finishes in the second place will be given free maintenance kits up to 500 hours (excluding oil), and the third place finisher will receive maintenance kits up to 250 hours (excluding oil). All participants who are interested will be given the opportunity to become an official MWfly service centre.

Art. 9 EVALUATION

The evaluation of the work carried out will be done by a jury made up of MWfly and its network of distributors. The jury will decree the first three finalists of each category (if the competitors are divided in different categories) and the final victory will be decided by a popular jury who will vote through an online vote.

The criteria for the evaluation by the MWfly jury will take into account:

- Security
- Quality of work carried out
- Outstanding result
- Difficulties encountered (technical, bureaucratic or other)
- Time / man ratio report
- Structure and means used
- Complexity of the installation
- Status of the work on December 1st, 2018

The following are the competition checkpoints:

1. Engine mounted on the aircraft
2. Engine mounted and started
3. Installation has passed a ground test
4. Flight test completed
5. Installation has passed the flight test and is approved.

- The evaluation of the installation time will take into consideration the status of the aircraft at the beginning of the installation and the number of people working on the installation.

The evaluation will be done based on information shared by each competitor about their own installation. MWfly reserves the right to check the installation in person.

Art. 10 POPULAR JURY AND FACEBOOK

To let a popular jury express itself, a Facebook page will be dedicated to the competition where all participants must update the status of their work and have the ability to make suggestions or ask questions.

Art. 11 EXCLUSION FROM COMPETITION

Anyone will be immediately excluded from the competition for the following reasons:

- They use the Facebook page to insult or injure others.
- They do not perform the work taking into consideration safety and airworthiness.

Art. 12 MWFLY REQUESTS

MWfly may, at any time, ask for clarification of the work performed and may at any time inspect the status of the work in person. If this request is refused the competitor will be excluded from the competition. The information requested by MWfly will be treated as confidential and therefore NOT disclosed to anyone outside of MWfly.

Art. 13 AMENDMENT TO THE REGULATION

MWfly is free to modify this regulation during the competition, provided that this does not damage a competitor.
